

## The Alzheimer's Association's

### Walk is Everywhere

The world may look a little different right now, but one thing hasn't changed: our commitment to ending Alzheimer's. This year, Walk to End Alzheimer's® is everywhere — on every sidewalk, track and trail. Your health and safety are our top priorities. This year's event won't be a large in-person gathering — instead, we invite you to walk in small teams of friends and family while others in your community do the same. Because we are all still walking and fundraising for the same thing: a world without Alzheimer's and all other dementia.
