America is aging and everyone is affected by longer life expectancy. A number of trends impact decisions related to housing during the years of retirement.

Broadening your familiarity with housing options will help you understand more deeply how aging impacts housing requirements. In this presentation Carol Kinsel from Senior Care Solutions and Luz Johnson of LPL Financial will share crucial information that can help you as you determine the best way to plan for housing. We'll give you the tools to become your own advocate as you understand your different options as well as what questions to ask as you prepare for housing for yourself or a loved one.

FREE EVENT BUT SEATING IS LIMITED – RSVP required
