## A Free Educational Workshop for Families & Caregivers

This workshop is designed to help you understand the need to centralize the important information you need for your family and/or loved one. We will discuss everything from finances to health care. Our presenter is Luz Johnson, a Financial Planner with LPL Financial, Member FINRA/SIPC. All attendees will receive an organizer, “Preparing for the Future: Your Records and Roles” to serve as a critical resource in case of an emergency, major life event, illness or death.
