“Dental Health as We Age”

Dr. William Love, DDS

Thursday, September 5, 2019
UC Davis MIND Institute
6:00 – 7:30 p.m.

Dr. Love is a general dentist and Director of Dental Services at the University of California Davis Medical Center. He performs general dentistry services, hospital dentistry services, management of medically Compromised patients in the dental setting, supervising the dental department.

Dr. Love's lecture will include a brief review of dental and oral anatomy, the tooth and gum disease process and strategies for prevention. There will also be emphasis on how the aging process impacts oral health care.
